PROFESSIONAL SUMMARY

Videographer and video editor with 13+ years of experience producing high-quality visual content across weddings, music videos, commercial projects, and live-stream productions. Skilled in storytelling, technical production, and post-production workflows, with a strong ability to translate client vision into compelling visual narratives.

SKILLS

- Adobe Premiere Pro
- Post-Production Compositing & Effects (After Effects)
- Asset Prep & Vector Graphics (Illustrator)
- Camera Operation
- Storytelling and Visual Pacing
- Audio Sync & Mixing
- Drone Operation
- Project Management

WORK EXPERIENCE

Lead Videographer — Bramblett Group – Fulltime

2022 – Late 2026

- Filmed, edited, and delivered various video projects, ranging from broadcast commercials, website content, social media content, and live streams
- Collaborated with other departments and clients to maintain clear creative direction and minimize revisions
- Prepared vector graphics and title assets in Illustrator for use in After Effects compositing
- Edited and delivered same day edits of event recaps while maintaining quality

Camera Operator — Worthy Road Studios – Freelance

2021 – 2022

- Assisted with setup and teardown of live-stream production equipment
- Operated camera during live productions with consistent framing and shot quality
- Coordinated with directors in real time to capture key moments during live events

Videographer/Photographer — Crestcore Realty – Fulltime

2018 – 2020

- Produced internal and client-facing videos to support communication and brand consistency
- Created professional headshots and media assets for marketing and company use
- Recorded, edited, and managed company podcast production end-to-end

Videographer/Photographer — Freelance

2012 – 2022

- Produced weddings, music videos, and business content from concept to final delivery
- Managed client communication, scheduling, and deadlines, leading to repeat work and referrals
- Shot and edited multi-camera productions with strong visual continuity
